

DUAL CREDIT/EARLY COLLEGE PROGRAM ARTICULATION AGREEMENT (SECONDARY and POST-SECONDARY Partnership)

This DUAL CREDIT/EARLY COLLEGE PROGRAM ARTICULATION AGREEMENT is between Texarkana College (TC), and Avery Independent School District pursuant to the applicable Texas Higher Education Coordinating Board (THECB) rules, Texas Education Code state statutes, and respective governing board policies for each institution. The purpose of this agreement is to provide eligible high school students with the opportunity to enroll in and complete authorized dual credit college courses at approved sites, which enable successful students the opportunity to earn both high school and college credit.

Furthermore, both institutions agree to share information and develop guidelines, policies, and procedures beneficial to Dual Credit students to improve the quality of education by-way of an early college education plan that maximizes learning opportunities and the award of dual credit in compliance with Texas Administrative Code, Texas Education Agency and Southern Association of Colleges and Schools Commission on Colleges. The specific elements of this agreement are attached.

Dual Credit students successfully completing authorized college courses will have those courses transcribed on a TC college transcript. Likewise, Dual Credit students are eligible to take applicable credit by examination tests on the TC campus at the Testing Center.

This agreement will need to be renewed annually at which time either party may request a change or termination of this agreement.

Avery High School has decided not to offer FAST-eligible Early Admission coursework.

Dual credit and early admission students are advised by their high school campus Academic Coach for Dual Credit and/or their High School Advisor, **April Martin**, before their first day of class.

Due to space limitation, Workforce course location indicated by Tex-Americas/Texarkana College is at the discretion of Texarkana College.

***Workforce Dual Credit courses more than likely will not transfer to four-year colleges and universities.**

Students taking these courses often plan to enroll in a certificate or Associates of Applied Science degree at TC.

Students should check with the institution they plan to transfer to regarding the transferability of all dual credit coursework.

Payment Arrangement for WECM Courses -

Avery will pay for courses when submitted to TC's Business Office
